Course Description

This course is designed for undergraduate international students who are Chinese beginners. Focusing on Chinese phonetcs, character writing, and words and grammar, , it covers core business themes like meeting new friends, self-introduction, taking taxi, eating and drinking, hobbies, family members, etc. The course integrates English working language training with basic business knowledge, emphasizing the cultivation of cross-cultural communication skills, global vision, and business ethical literacy. Through case practices, it enhances students' workplace communication and problem-solving abilities, laying a solid foundation for their participation in international business activities.
