Course Description

This course provides a historical-conceptual understanding o*f campesino* movements in Latin America and the contexts of the geographies in which they arise. The course is guided by three key units including land, territory, and life, each of which provides a sophisticated understanding through reading theory, lecture, group work,
presentations, as well as through hands-on learning in the field with *campesinos* in Mexico City.

Language(s) of Instruction
Spanish
