Course Description

This is a seminar course designed to cover the common law trial systems through providing the students opportunities of analyzing cases, in-class discussions, and/or mock trial practices, and facilitation for the students to learn the main legal theories of litigation and trial practices of the common law system.

Through taking this course, the students are expected to learn legal terminologies, enhance the ability of comprehending legal English, and understand the common law trial proceedings in a systematic way. The students will be trained to use English as a tool to understand the law and to be capable of analyzing and resolving legal problems.
