Course Description

This is a practical language course for beginner learners of Polish. This course gives students a basic knowledge of Polish language, culture and modern Polish society. Students learn to: 1) use Polish to express information about themselves and others, tell a story, express an opinion; b) use Polish in the classroom; c) correctly use the case system and the verbal system; d) express the following meanings: quantity (how many?), time (when?), location + direction (where?), means (how?), cause (why? how come?), purpose (to what end?); e) comprehend and extract main points from Polish language texts, correctly identify the general idea of a text, locate specifically required information, summarize; f) comprehend contextual information (people, places and events) in Polish-language texts; g) use reference tools (dictionaries and grammars) to obtain grammatical and lexical information; h) formulate questions about structures they do not understand. Students arrive at the lower A1 level of language competence (the Common European Framework of Reference for Languages).
