Course Description

This course is designed for absolute beginners or those just beginning their journey in Japanese and want to develop practical communication skills through face-to-face instruction and practice. Students engage in interactive speaking and listening activities in class, focusing on essential conversational skills such as greetings, self-introductions, and asking and answering questions. Through practical exercises and authentic interactions, learners gain confidence in using Japanese in real-life situations while deepening their understanding and appreciation of the Japanese language and culture. Students interested in strengthening their foundation in beginner-level vocabulary and grammar are encouraged to also enroll in the 1-credit self-paced online course, LANG1212: Japanese Vocabulary and Grammar Essentials I. Graded P or F.
