UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course concerns the contexts in which English is used, and the fact that the patterns and variations in language used in the everyday are worthy of analysis. It demonstrates how language-in-use can be studied systematically, and to show how English is used in particular situations and in the module of activities, speech situations, public discourse, and interpersonal interactions that might otherwise be taken for granted.

Language(s) of Instruction
English
