Course Description

This course provides an introduction to and vocabulary for medieval architecture: from the paleochristian to the roman era. It covers Roman architecture; materials and techniques of construction; architectural orders, style and vocabulary; how to describe an ediface; religious architecture from Athens to Rome; civil architecture: Agora, Forum, and Spectacle; military architecture; and burial architecture. The course includes a visit to the archeological sites of the paleochristian basilica of Saint Laurent de Choulan.
