UCEAP Transcript Title RESEARCHNG THE PAST
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This class introduces students to the process of conducting research on historical topics. Students discuss and critique examples of publishable research and work independently to develop their own topics and interests. Students explore different methods and approaches of historical inquiry, learn how to identify, access, and use records in the archives and in digital humanities, and produce research on their own. The course requires students to take prerequisites.
