3.00

### **Course Description**

This intermediate Spanish course explores the characteristics of the Spanish language while providing opportunities to develop one's communicative skills in various social and academic contexts. It requires previous knowledge of the enunciation system in Spanish: the syntax of simple and compound sentences; form and function of the parts of a sentence; indicative present tense; preterit imperfect; simple preterite and preterite perfect; future periphrastic ,aspectual,and modal verb periphrases; imperative and present subjunctive. By the end of the course, students are expected to be able to interact adequately in everyday situations, becoming aware of the cultural and social aspects of the Spanish-speaking world (CEFR A2.1).

### **Language(s) of Instruction**

Spanish

### **Host Institution Course Number**

HI1027
