DOCUMENTARY RADIO

UCEAP Quarter Units

6.00

UCEAP Semester Units

4.00

Course Description

This course teaches the basic building blocks of radio and podcasting. Students learn how to use recording and editing equipment as well as creative approaches to interviewing and sound design. Though primarily practical, there is an emphasis on learning techniques for telling audio stories through listening and discussion of works produced by audio producers both here in the UK and around the world. Students are expected to pitch, record, and edit a seven-minute documentary.

Language(s) of Instruction

English
