Course Description

This course is for students with some basic knowledge and experience of the target language (TL). The course enables students to understand key information and to communicate effectively in the TL, sometimes spontaneously, in less routine situations, at a standard level, provide opportunities, across a variety of topics, for practice of understanding and communication in the TL using the four language skills of listening, reading, speaking and writing, at a standard level, consolidate and develop the range of key elements of TL language structures, vocabulary, syntax and pronunciation, to allow progression in the TL, and present the background culture and society of the TL through a variety of contextualized activities and materials, in a range of media (e.g. text, audio, audio-visual, digital).
