**UCEAP Quarter Units**

8.00

**UCEAP Semester Units**

5.30

### **Course Description**

In this course, students progress through a series of weekly workbooks that consist of structure practical tasks, each with specific outputs and objectives. Reference images are provided for many of these tasks, so that students may assess their own progress and determine when they have successfully achieved the objectives of a workbook. Completion of these formative tasks provides students with the skills and knowledge required to pass the assessments.

### **Language(s) of Instruction**

English
