2.50

UCEAP Semester Units
1.70

Course Description

This course focuses on contemporary fiction that looks to our future as radically dystopian. It explores the reasons for dystopia and the way we construct, through film and literature, images of an uncertain future and the challenges we face as a society. This course also discusses speculative fiction, specifically the impact of scientific and technological development on our society as constructed and proposed through literature and film.

Pre-requisites: Advanced knowledge of Spanish

Language(s) of Instruction
Spanish
