3.30

## Course Description

This course is designed to strengthen and refine all four core language skills: listening, speaking, reading, and writing. Students expand their ability to communicate effectively in a variety of contexts, including discussing present and past events, expressing desires and wishes for the future, and reacting to others. The course also emphasizes the development of argumentative and persuasive language, enabling students to express opinions, agree or disagree, and structure discourse logically. Additional focus areas include describing people and objects, giving instructions and advice, expressing emotions, and preferences.

## Language(s) of Instruction
