NATURE-CULTURE

**UCEAP Quarter Units**

5.00

**UCEAP Semester Units**

3.30

## Course Description

This course examines anthropological engagements with "nature" and the more-than-human world. It explores how ideas about "nature" have been theorized and critiqued within anthropology, how such ideas are put to work in different world-making projects, and how rethinking human relations with the more-than-human world might offer insights into navigating uncertain ecological times.

## Language(s) of Instruction

English

## Host Institution Course Number

AY3005
