3.30

Course Description

This course provides an introduction to the Portuguese language aimed at developing intermediate reading and communication skills. Students expand their vocabulary, practice key grammatical structures, and learn to use common connectors in Portuguese. The course emphasizes comprehension of standard Portuguese texts, including literary texts of moderate difficulty, and explores important communicative features such as common expressions and forms of address. It also encourages reflection on language through comparison with other Romance languages and promotes awareness of linguistic and cultural diversity.

Language(s) of Instruction
Portuguese
