10.00

UCEAP Semester Units
6.70

Course Description

This course introduces students to key debates about migration in Mexican and Chicanx Studies through cultural productions that focus on migration and diaspora. This interdisciplinary course introduces students to Mexican and Chicanx literature and film through narratives of migration. It examines how representations of migration and diaspora have evolved from the 1940s to the present day in the light of debates about citizenship, ethnicity, narco-culture and gender.
