UCEAP Official Title POLITICS IN PRACTICE: ART AND ACTIVISM
UCEAP Transcript Title ART AND ACTIVISM
UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description

This course explores the relation between art and activism as a way of engaging critically with issues such as coloniality, gender inequality, xenophobia, and exploitative labour practices. Students study the work of leading practitioners and theorists in the field of politically-engaged art, with a focus on how dialogue and provocation afford a variety of ways of calling power relations into question through participatory practice and/or collaboration as a process of co-creation.
