3.30

Course Description

In this course, students will approach, from an interdisciplinary, critical, practical, and reflective perspective, territories that, possessing some degree of heritage identification, must coexist with tourism. It provides students with the analytical and assessment tools for studying heritage and touristic aspects. The course methodology and assessments seek that students working in teams formulate strategies of sustainable development of urban heritage territories that serve a touristic purpose.

Language(s) of Instruction

Spanish
