Course Description

This course uses Japanese anime, such as *Fragrant Flowers Bloom Dignified* to improve Japanese conversation skills and help students understand Japanese culture.

The course cultivates intermediate and advanced grammar skills such as plain expressions, possible expressions, passive expressions, and ministry expressions, and helps to improve overall Japanese language skills such as conversation and listening skills through watching Japanese animation and scripts. It is designed to be used as a supplementary and confirmatory learning for students with intermediate or higher Japanese language skills.

Although it is not required, it is recommended to take courses such as Japanese 1, Japanese 2, and Japanese RC1, which are basic Japanese language subjects.
