3.00

### **Course Description**

The course provide a comprehensive understanding of the issues shaping today's world. The working sessions focus mainly on regional studies in order to illustrate how international issues are changing. Particular emphasis is placed on the new geopolitics of Europe and the Middle East, using the reemergence of a power such as Russia as a basis for analysis and relating it to the policies of the European Union and the United States. The course articulates global and regional scales and to shows the links between economic and geopolitical changes.
