Course Description

This course examines the foreign relations between the People's Republic of China's and the Third World during the Cold War. The course will place a particular emphasis on the following topics: China's position in the Cold War, the role of ideology, decolonization and the response of the Cold War powers, and the political economy of the Third World during the Cold War. A particular emphasis will be placed on Sino-African relations and less so on Latin America.
