MIGRATION NARRATIVE

UCEAP Quarter Units

4.50

UCEAP Semester Units

3.00

Course Description

The seminar focuses on contemporary narratives of migration, border crossings, and cultural encounters in a variety of media (short stories, novels, comics, and films). Discussions include the stories told by the migrants themselves as well as narratives about migrants, about the relationship between home and host country, questions of identity and difference, and the relation between the individual and the community. In many cases, such narratives deal with suffering, loss, and trauma.
